- in Croatia, we sell products at retail price (WPC 100%) on the web, by email and in person. The purchase of that person is tied to the ID of the person who gave the recommendation and is our member.
- If the person is not a member (members must place a minimum order of €55+VAT) he is free to come to the office and order one product. This can also be done by e-mail korisnickapodrska@foreverliving.hr or webshop as a guest: foreverliving.hr/webshop
It is necessary to write your first and last name - and the first and last name of the person to whom the order will be attached. Please also write the delivery address and mobile number. The delivery price is €4.65.
- You can log in to the web shop as new customer - by first placing a minimum order. This is a test order so you can log in to the web shop.
You continue by clicking on payment and then three boxes open.

- You choose the box in the middle. (NEW CUSTOMER)
Then your data will be opened and all marked with a red star should be fulfilled.
Your ID number should be entered (only yours and **not** from sponsor).
You also create a password with which you will enter the web shop in the future.
The username is your ID number, which you must write in full 360000..... and the password is one you created.
